

MiniPa Privacy Policy

Effective Date: November 13, 2025

Last updated: November 13, 2025

MiniPa ("MiniPa," "we," "our," or "us") provides tools that let you create, customize, and share interactive slides. This Privacy Policy explains what personal data we collect, how we use it, and the choices you have.

Information We Collect:

- Account & Authentication Information: email, phone, verification codes, tokens, password hashes,
- Apple/Google sign-in data. If you sign in with Apple or Google, we receive your email address and a unique user identifier. Apple may also provide a masked/relay email if you use "Hide My Email."
- Profile, Social Graph & User Content: display name, avatar, bio, friends, slides, media uploads, activities.
- Device & Usage Information: IP, logs, device info, in-app preferences.
- Communications: contact form messages, support emails.

How We Use Information:

- Provide the service, authenticate users, store/display your content, maintain security, send service emails, support, improve reliability. No sale of personal data.

Legal Bases (GDPR):

- Contract, legitimate interests, consent.

How We Share Information:

- Service providers (AWS, email delivery), other users per sharing settings, legal reasons, business transfers.

Storage, Security & Retention:

- Data stored in the U.S. (AWS us-west-2). TLS, encryption at rest, presigned uploads, secure token storage. Data retained as long as needed for service; verification codes expire quickly. Media uploads (avatars and slide assets) are stored on AWS S3 and delivered via CloudFront. Upload URLs expire after a short period for security.

Your Rights:

- Access, correct, delete, portability, objection. Use in-app account deletion or contact admin@minipa.app.

Children's Privacy:

- Not for children under 13 (or 16 where applicable).

International Transfers:

- Transfers to the U.S. with safeguards.

Changes:

- We may update this policy.
